

Dear Friends,

For the past year, CALSAGA has been working to provide solutions on key issues facing our industry. This year's conference theme, "Navigating Dangerous Waters," symbolizes the political and regulatory challenges facing the private security industry.

This year's conference will feature an all-star line-up of speakers to discuss these issues, including Vicki Bradshaw, Secretary of the California Labor & Workforce Development Agency; Chris Kahn, Legislative Secretary to Governor Arnold Schwarzenegger; and Steve Poizner, California Insurance Commissioner, to name a few.

The conference also provides access to a wide range of vendors who supply the services and products that help make your company run more efficiently. Plus, we will be hosting our 2nd Annual CALSAGA Golf Tournament and Security Officer Memorial Fund Reception.

We hope to see you on November 6-7 at the beautiful Hyatt Vineyard Creek Hotel and Spa, in what we know will be a fantastic conference!

Sincerely,

Mark Miller,  
CALSAGA President
